Hello Loco Camp Participant:

Thank you for registering for this fun and exciting camp this summer. You are signed up for one of the weeks or multiple weeks of Loco Camp. Loco Camp is designed for 6th to 9th graders who would like an opportunity to adventure outside and within Shoreline. We will play in the parks and mountains, take a splash in the water, and you get to vote on the final destination each week. This camp will challenge you. Here are a few things that you and your parents should know about the trip.

- Pick up at 11:45 (each day); if you are in summer school, please contact me immediately.
- Drop off at 5:00pm (each day)

Pick up and Drop off will be at the Spartan Recreation Center, located at 202 NE 185th ST in Shoreline. We will be located in front of the facility. Please see front desk staff for any questions.

Loco Camp will consist of three exciting fun-filled days at parks, mountains, water parks, lakes, etc. Each day has a theme. Tuesday is adventure day where we will cruise to a park. Wednesday will be water day where we drive to a lake with lifeguards. Finally, Thursday will be decided by the participants and the decision will take place on Tuesday. It will give me enough time to set up the trip. There will be 2 staff to provide supervision which is 8:1 teen to staff ratio. We will be transporting in City of Shoreline's vehicles.

Included in Loco Camp:

- Transportation to and from our destination
- Limited snacks and water
- And fun-filled days

Things to bring:

- Bottle Water
- A Lunch
- Sunscreen and sunglasses
